

Setting the Standards

Health & Safety Policy

Through the development and implementation of a Health and Safety Management System, Stormking Plastics is committed to ensuring employees, contractors, visitors and the public are not exposed to health and safety risks arising from the conduct or activities of the Company. Activities will be performed in a manner to minimise risk to the health and safety of all employees, contractors, visitors, customers and the community.

Every employee of Stormking Plastics has a responsibility for conducting him or herself in a safe working manner, ensuring no negative impact on the environment or health of others.

Employees must wear applicable safety clothing, use appropriate equipment and personally ensure activities comply with this Policy and relevant Health and Safety practices by reporting unsafe work practices, places, equipment, processes or situations

Appropriate training will be provided for all employees (and any subcontractor when required) to meet legal, company and personal obligations.

Stormking Plastics will, as far as is reasonably practicable, meet the requirements of Jurisdictional Acts / Regulations, Codes and OHSAS 18001 International Standards.

To achieve these objectives the Company will:

- On an individual and collective basis proactively identify workplace hazards, conduct risk assessments and implement controls where appropriate.
- Control risks, implement training, and carry out systems surveillance and workplace audits.
- Comply with relevant Jurisdictional Health and Safety Legislation.
- Seek to continually improve Health and Safety performance by setting measurable targets and provide adequate resources to obtain those targets, continually monitor, audit and review the management system.
- Engender employee recognition of and a desire for, ownership of the Safety process fostering an egalitarian and consultative approach to Safety matters.
- Maintain appropriate communication with stakeholders.
- To implement throughout all work process within Stormking, control measures that place an absolute commitment to prevent injury or ill health of our employees, contractors, visitors, customers and the community.
- Facilitate prompt treatment and appropriate rehabilitation programs for employees affected by workplace injury or illness.
- Maintain transparent Safety processes for employees, customers and inspectorates
